## DEATH OF H. E. C. WEBB SHOCK TO FRIENDS

Harry E. C. Webb, a well known resident of Sierra Madre, passed away Wednesday morning. His death brought sorrow to a host of friends here and in Los Angeles where he was widely known. Mr. Webb had suffered

for some time with nervous and organic trouble and had failed rapidly for several weeks past. But few realized that his condition was so serious and news of his passing came as a deep shock.

Mr. Webb was a native of Maine but had been a resident of Southern California about twenty years. For several years he was with the Pioneer Paper Co., and Blake, Moffitt and Towne, leaving the paper business to go into the county assessors' office. There he carried the burden of extremely important work for several years, being entrusted with the assessment of the most important business district of Los Angeles on a system worked out by himself. The strain of his work there told on his strength to such an extent, without doubt, as to hasten his demise. He was recognized as a keen minded and upright business man.

Mr. and Mrs. Webb came to Sierra Madre and built their attractive home on South Baldwin about ten years ago, where they have resided ever since. He was keenly interested in public affairs and in 1914 was master of the local Masonic Lodge.

Funeral services will be conducted under Masonic auspices at 2 o'clock next Tuesday at the undertaking parlors of Pierce Brothers in Los Angeles.

## FIRST COMMUNION HELD SUNDAY AT ST. RITA'S

On Sunday, May 15th, Saint Rita's Church was the scene of most charming and inspiring ceremonies, for it was First Communion Day for nine of the little children, their names being: Alexander Garcia, Pio and Marino Lorenzini, Clarence Morrison, Thomas and Joseph Scalzo, Ann Rita Ahern, and Joseph Scalzo, Ann Rita Ahern, Herrick.

The ceremony commenced with a procession of the children who were met by Father Woodcutter and the altar boys at Mr. Skvarla's residence and from there were conducted to the church.

First Communion is always a great feast in any parish, and this it proved to be for Saint Rita's also. Father Woodcutter in appropriate words addressed the children and their parents as also the vast congregation that filled the church to overflowing, reminding them of the important step the children were taking in life, exhorting the parents to be always mindful of the trust they had received from Almighty God as to the Christian education of their children, recalling furthermore to all present the day of their First Communion.

Useless to say how deeply impressed were especially the parents of the children, as also were all those present.

In the afternoon at 2:30 took place the renewal of the baptismal vows, when the First Communicants pronounced in their own name the promises that had been made by their sponsors on the day of their Baptism. A large congregation again more than filled the church. Everybody admitted that they had assisted at one of the most beautiful ceremonies that had taken place in Saint Rita's Church, and carried home with them the most pleasant and useful reminiscences. At the end of the afternoon's devotion, the First Communion Class, together with their teachers, Sisters Magdalen and Martina, the altar boys and the little boys and girls who had acted as escorts to the First Communicants, had a picture taken as a souvenir of the solemn occasion.

## PARENT-TEACHERS MEETING

The regular monthly meeting of the P. T. A. was held Wednesday afternoon. There was no special business. Miss Gertrude Cook told about her trip to Honolulu after which tea was served by the hostesses, Mesdames, J. N. Hawks, W. W. Felgate, E. A. Calvert and M. E. Bailey.

## ENTERTAINS WITH BRIDGE

Mrs. Frank Hart entertained with a bridge party to about forty-five guests Wednesday afternoon, at her home, Hartwood.

## PIPE LINE WILL LAST LIFETIME

E. C. Willites of Monrovia, a veteran in the pipe business who is superintending the laying of the new pipe lines for the City of Sierra Madre states that the pipe that is being laid will last a life time if proper precaution is taken in the laying. Engineer Mackerras is of the opinion that the pipe is being properly laid and that every precaution is being taken to not crack the asphaltum. The pipe is of the best material and superior to what many of the cities in Southern California are using.

## FEAST OF THE ROSES ON NEXT SUNDAY

Next Sunday, May 22nd, will be the Feast of St. Rita and the solemn blessing of the roses. The ceremony will commence with High Mass at 9:30 A. M. when a special choir from Long Beach will furnish the singing. The Blessing of the Roses will commence at 3:00 P. M. The Pacific Electric Railroad are giving special train service to accommodate the many friends of Saint Rita's who are expected to be present. Last year about two thousand witnessed this ceremony and as the Shrine is becoming better known every day a still larger attendance is expected this year.

## ENTERTAIN FOR MR. AND MRS. WOOD OF AKRON OHIO

Mr. and Mrs. D. C. Ashmore, 477 N. Baldwin Avenue entertained Wednesday evening complimentary to Mr. and Mrs. Randolph Wood of Akron, Ohio, who are visiting in Sierra Madre. Cards and music were enjoyed and dainty refreshments were served. The invited guests were: Mr. and Mrs. Ernest Yerxa, Mr. and Mrs. George B. Morgridge, Mr. and Mrs. H. Bridge-land. The out of town guests were: Mr. and Mrs. Ralph Hopkins, Mr. and Mrs. Henderson Childs, Mr. and Mrs. F. P. Baugh of Pasadena, Mr. and Mrs. Innes Kinney, Sierra Madre Villa and the guests of honor, Mr. and Mrs. Randolph Wood.

## BE CAREFUL OF FIRES

The News was in error in a recent issue concerning the fire permits, but here is the correct advice. You can burn your rubbish in a clear spot between the hours of 7 a. m. and 7 p. m. without a fire permit below Grandview Avenue. BUT YOU CANNOT BURN off a vacant lot any place in Sierra Madre without having first secured a permit from Fire Marshall Udell.

## WANT THE NAME CHANGED

There are several of the members of the Firemen's Club who were not present at the last meeting who object to the changing of the name from Firemen's Club to Bohemian Club. The changing of the name conflicts with several things and every member of the club is urged to be present next Wednesday night, the 25th, when this matter will again come before the members.

## MRS. A. W. LINE DEAD

Florence E. Line, wife of A. W. Line, died at her late home at Lancaster, Thursday, the 19th. She was formerly Miss Florence E. Berryhill and left Sierra Madre January 1, 1920, going to Lancaster in hopes of regaining her health. Funeral services were held from the Los Angeles Undertaking parlors Monday, interment in Evergreen cemetery. Several Sierra Madre friends attended the services.

## A PLEA FOR THE WILD FLOWER

The Garden Club of Pasadena which belongs to the Federation of Garden Clubs of America has sent out a plea for the preservation of wild flowers and to do so has organized a society known as the "Society for the Protection of Native Plants." Miss Thomasella H. Graham has been appointed chairman of the society for this district.

It is to the interest of everyone that beautiful and characteristic plants be guarded from extermination, and there is danger of many of our most interesting and beautiful wild flowers becoming extinct, through thoughtless and indiscriminate picking.

It is the wish of the society to discourage unnecessarily the gathering of wild flowers and ferns for decorative purposes. It only asks that they be picked with care and not ruthlessly broken off or pulled up by the roots and to use moderation in breaking large branches of flowering shrubs which will live in water only a few days, but represent the growth of many years.

Any one wishing further information call Miss Graham, who will give details of the work.

## MISS FLORENCE JOHNSON TO BE HERE TUESDAY

Miss Florence Johnson will speak upon "Healing and Faith" at the Woman's Club House on Tuesday, May 24th, promptly at 2 p. m. Arrangements for other meetings will be made later.

## A COMMUNICATION

To the Editor,

Sierra Madre News:

There has been a considerable amount of misunderstanding locally about the placing of the Soldier's Memorial Tablet which has been delayed for several months.

In the first place, it should be known that the erection of the tablet was placed in the hands of the Memorial Committee of the Chamber of Commerce. I happen to be chairman of that committee, of which Miss Blumer and Miss Webster are members.

A few weeks ago, Mrs. Jack Wright suggested that inasmuch as it seemed difficult at this time to get in hand sufficient funds, as had been hoped, to place the tablet on a granite, it should be erected in some fitting place and manner at once rather than wait for additional money.

This the committee arranged to do, and was much surprised to read in the last issue of the News a signed letter from Dean Shaw, in which he attempted to assume the initiative in the matter. As a matter of fact, we already had the concrete forms ready for erection and tentative arrangements made for the dedication of the Memorial before Dean Shaw took up the question.

I have explained this at some length because the committee is somewhat nettled at the injustice of the Dean's letter.

Yours truly,

EARL TOPPING.

## STUMBLING STONES OR STEPPING STONES?

A sorrow came to me today—a grief so dense and deep—  
Shades of darkness and defeat about my heartstrings creep.

Yet this very sorrow draws me nearer, Lord, to Thee  
'Stepping Stone' or 'Stepping Stone' which shall this sorrow be?

A blessing came to me today, a joy surpassing sweet

A glad way opens up to me, my longing soul to greet,

Yet such wealth of happiness may blind the Soul to Thee—

'Stepping Stone' or 'Stepping Stone', my God, which shall it be?

In every circumstance of life, Lord, I will trust in Thee

And Stepping Stones to Heavenly heights each pain and joy shall be!

#### JUDGE McCORMACK TO SPEAK

The committee having the dedication of the Service Men's Tablet in charge are pleased that they have succeeded in obtaining Superior Court Judge Paul McCormack as the principal speaker for the occasion. Judge McCormack spoke at a Board of Trade Banquet here some years ago and those who were fortunate enough to hear him then will remember him as an orator of unusual ability and one who convinces his hearers of his own sincere belief in his expressed convictions.

Recently Judge McCormack has been refusing all requests to speak on public occasions as the pressure of his court work is so great he feels he has not the time to devote to preparing addresses, and he is making an exception for us on this occasion because of his very kindly personal feeling for this city and its people and because of the particular nature of the occasion.

#### MISS JONES WON POPULAR VOTE

Miss Edith Jones was the successful candidate in the election of a "Lady in Waiting" to attend the Queen of the Foothill Festival in Monrovia on Saturday. Arrangements had been made by the Fiesta Committee for Harry Fink & Co., of Los Angeles to furnish all the costumes in accordance with a selected style and color scheme. Pastel shades in organdie are being used for the dresses which are in an up-to-date style and can be used for usual summer wear. The one selected by Miss Jones is pale green with white lace and a large hat to match. The hats all the same in shape and size but the colors harmonize with the different dresses.

The parade is to start at ten o'clock and a number of Sierra Madre people are planning to make a day of it and take in all the events. The queen and her ladies have posts of honor at all the entertainments including the banquet at the Eleven Oaks Hotel in the evening, and the street dance following.

### SELLS INTEREST IN THE SIERRA MADRE PHONE COMPANY

O. E. Emley Succeeds W. E. Farman As Manager

W. E. Farman and others have sold their interests in the Sierra Madre Telephone and Telegraph Company to O. E. Emley, Walter Dunn and J. M. Baldwin of Monrovia. Mr. Emley will be the manager and has moved into the property at 24 East Highland recently vacated by G. I. Farman. The new directors of the company are W. E. Farman, J. M. Baldwin, O. E. Emley, Walter Dunn and Jennie Emley.

Mr. Farman did not sell his interest because he was dissatisfied, but he has been needing a little vacation and the telephone business is a nerve racking institution. Mrs. Farman and he will continue to reside in Sierra Madre, and Mr. Farman will enter some line of business later.

The new company promises some improvements and we hope they continue the ever efficient service that has been accorded us under the management of Mr. Farman.

#### WAS A GREAT MEETING

Harvey Steinberger and party returned from Sacramento Monday night arriving in Sierra Madre at five o'clock Tuesday morning. Mr. Steinberger drove the big Studebaker from Sacramento. They enjoyed eight sea trips, swimming parties, theater parties and banquets. The delegates gathered in the assembly chamber of the Capitol and enjoyed a two hour visit with Governor Stephens. The bill for state aid to veterans was strongly endorsed, and Leo Dawson, who made the speech before the Associated Chambers of Commerce at West Covina, enjoyed an hour's visit with Governor Stephens. Mr. Dawson was also appointed as a delegate to the National Convention which meets at Cleveland, Ohio, in July. The 1922 meet will be held next May in San Francisco.

#### JOHNSON FAMILY ARRIVES

The family of Charles Johnson have arrived and they are comfortably domiciled at 317 North Lima. Mr. Johnson recently accepted a position at the Langley barber shop and expects to locate permanently in Sierra Madre.

With each proposal or bid for said Fire Apparatus Bonds must be submitted a certified check or cashier's check, drawn upon some bank in the State of California, payable to the order of the City Treasurer of the City of Sierra Madre for the sum of Two Hundred and Fifty (\$250.00) Dollars as a guarantee that the bidder will purchase and pay for said bonds in accordance with his proposal in the event the bid is accepted.

The Board of Trustees of said City reserves the right to reject any and all bids or proposals.

By order of the Board of Trustees of the City of Sierra Madre, made at a regular meeting of said Board on May 12th, 1921.

L. DIETZ,

City Clerk of the City of Sierra Madre, California.

### FIRE ON EAST GRAND VIEW

The fire alarm sounded about eight o'clock Monday night and the fire company responded to the call at 311 East Grand View. The house belonged to Mr. and Mrs. D. Abel and the entire rear was on fire. ### FIRST TEST FOR NEW WATER MAIN

The fire on East Grand View Avenue Monday evening called for the first test of the new water main. At the first sound of the fire siren, Engineer Mackerras and Superintendent Henderson were on the job and had the water turned on at the corner of Grand View and Mt. Trail Avenues. The pressure was so strong that many of the boys who were at the nozzle end of the hose thought that the engine was pumping. The pressure is all that could be asked.

### PROMINENT "NATIVE" TELLS PRINCIPLES OF "HOME TOWN" CAMPAIGN STARTED BY HIM

"You hear a lot of 'home town' stuff nowadays. You are asked to support all the social and industrial activities of your community. And truly if your home town or community is good enough to live in you should do your part toward keeping it up to standard. The rub comes if you are compelled to pay a premium when patronizing local industries, as is sometimes the case, unfortunately."

Milton Steinberger, of the Sierra Madre garage, bit two inches from his stogie, borrowed a match, and continued:

"In the case of our garage business, we think that the motorist has everything to gain and nothing to lose by giving us all his business and depending on us for all his service. In no instance of which we know do our prices exceed the standard city rates. We are stocked and equipped to furnish any piece of equipment or perform any service operation.

"But our customers find the greatest advantage in maintaining relationship with their 'home town garage' lies in the small services that we are so often called upon to render—services that cannot be measured by their small cost. Los Angeles and Pasadena establishments are too far away to take care of Sierra Madre's motorists' emergency wants. We are here for that purpose and naturally want their regular business as well."

At this point a loud rattling was heard, and one of Henry's w. k. sheet iron road lizzards slithered through the doorway and stopped, shivering. Steinberger untangled his legs, excused himself and popped out into the service department. We saw him taking down the "Main Street" the last sound heard from the Sierra Madre Garage was "Milt's" genial bellow: "Sure, we'll fix it."

### CRITICISM OF MAINED VETERAN'S REMARKS IS RESENTED BY LEGIONARY

A maimed young ex-soldier who spoke at a recent meeting of the Associated Chambers of Commerce of the valley at West Covina, was criticized in a news story contributed to this publication last week.

Ex-sergeant Harvey Steinberger, veteran of the Rainbow Division in which the young soldier, Leo Dawson, served with distinction, took exception to the article and made the following statement to the News:

"Young Dawson fought in five engagements, gave a leg and an eye and half of his face to his country's cause, and is now with his family in Los Angeles, utterly broken—and still just a boy. Of course he is not a public speaker, and when he was delegated to represent the disabled soldiers at the meeting in question he lapsed into a recital of some of his war experiences. It is quite true that he told some rather snappy war stories, but this is not to be wondered at when one considers the impressions on such a young fellow of the terrible periences. It is quite true that he 'in view of the fact that he was not interrupted by the chairman I consider it unkind to have revived and enlarged the unfortunate incident and singled this boy out for such a raking denunciation. The remarks were unfortunate."

### ATTENDING STATE CONVENTION

Harvey Steinberger, who is a delegate to the State Convention of the Rainbow Division Veterans at Fresno, piloted the big yellow Studebaker from the Sierra Madre Garage for a company of ex-soldiers who went from Los Angeles. They left yesterday and will return Sunday.
